Nikoloski works with natural materials: stones, branches, earth, water, leaves and grass. He makes objects and environmental installations now to be found in museums, galleries, streets, hospitals and forests. He also makes photographs and video documentaries. Nikoloski has held one-man shows in Belgrade (1984) (1987) (1989); Skopje (1985); Zagreb (1986); and a major one-man show in The Museum of Contemporary Art in Skopje (1989). He has also participated in 20 selected group exhibitions.
