МЕЃУНАРОДНА ИЗЛОЖБА НА УМЕТНИЧКА ФОТОГРАФИЈА
INTERNATIONAL EXHIBITION OF ART PHOTOGRAPHY

ОПШТИНА
КУМАНОВО

Годинава, Фојто-Кино клубој „Козјак 50“ од нашиој г̀рад со ресѝектї г̀о одбележува шеесетїгодишнојо постојење и неуморна, творечка активност. Фојто Салон, што оваа година, традиционално г̀о организира Фојто-Кино клубој, претставува достоинствен и висштински начин на одбележувањето на големојо јубилеј на Клубој, еден од најшаритије фојто-кино клубови во Република Македонија.

Фојто-Кино клубој, некако шивко, но секогаш вичајливо и насшјочиво, низ децениите на својата работа остиваше мошне значајни резултати во културнојо живој на г̀радој и Република Македонија. Можеби заради природата на уметничкатајо фојтографија, штаа нема фанфари, но затоа пак во луѓето знае да поштитикне најдлабоки чувствива, од нив да ја извлече уметничкатајо нишка, која секој човек ја носи во душата на свој начин.

Овој Фојто Салон има и свои други вредности. Тој ги сшјојува различните култури, од нашето поднебе и пошироко, на едно место. И штаа, би рекол, на најсшшен начин, бидејќи естетичкатајо на уметничкатајо фојтографија е универзален јазик за сште луѓе. Без превод, само низ фокусот на визуелнојо феномен, висштинатајо неиречено навира од фојтографијата до г̀ладачите. Тоа е совршена линија помеѓу конзументнојо и фојтографијата, помеѓу проследувачој на изложбатајо и авторој на фојтографијата. А, сето штаа, инвентивно комширајќи ја целината, е заслуга на организиранојо присшай, што е продукт на Фојто-Кино клубој „Козјак 50“.

Традицијата на овој вид културна презентација е веќе создадена. Секако, штаа заслужува да ошшојува и во иднината. Повеќе од досега и уште повеќе во нареднојо период, локалната самоуправа – Куманово има обврска да обезбедува заслужена поддршка во развојој на оваа наша манифестација.

Фото Салон Куманово 2010, по втор пат до доби високопатронаж на Светската Федерација на Уметничка Фотографија - FIAP (Fédération Internationale de l'Art Photographique). Овој Патронаж не е само формален респект кон Фото Сојузот на Македонија и непосредниот организатор на изложбата - Фото-Кино клубот КОЗЈАК 50 од Куманово, туку и респект кон изложбите (Фото Салон Куманово) кои претходат и кои пошироко го афирмираат интересот за фотографското творештво. Патронажот, меѓу другото е гарант за фотографските уметници кои конкурираат за учество на овој салон дека организаторот ќе обезбеди селекција според високите критериуми на FIAP, како и услови потребни за соодветно ниво на презентација.

Жиријот имаше сериозна и одговорна задача. Од обемниот материјал пристигнал според условите на јавниот конкурс (околу 1800 фотографии) од автори од 49 држави од целиот свет, да се одлучи за поставка од околу 350 фотографии. Организаторот на Фото Салон Куманово 2010, обезбеди современ начин и компјутерски поддржан програм со кој во голема мера придонесе за пообјективен пристап кон конечниот избор на експонатите. Жиријот во најголем број случаи имаше слични оценки или со други зборови кажано - изедначени критериуми. Секако дека и при најдобри намери, одредени пропусци се можни. Жиријот е свесно дека изборот е на некој начин „авторско“ гледање, согласно со личниот афинитет и пристап кон фотографијата, но истовремено е убедено дека најразвиениот избор како компромис меѓу понуденото и она што сега се смета за актуелен фотографски изказ.

Преку изложбите на фотографии кои години за ред се организираат во Куманово, Куманово станала препознатлив фотографски центар. Со оваа изложба се нагледува дека Фото Салонот Куманово се профилува во препознатлива и респектирана меѓународна изложба која на најдобар можен начин ја афирмира македонската фотографија во својот и светската во Македонија.

Куманово, 5 септември 2010 година

Д-р Цветан Гавровски, FIAP L.O.

Photo Salon Kumanovo 2010, for the second time gain the patronage of the World Federation of Art Photography - FIAP (Fédération Internationale de l'Art Photographique). This patronage is not only a formal respect to the Photo Association of Macedonia and the organizer of this exhibition - Photo Cinema Club Kozjak50 from Kumanovo, but also respect for the exhibitions (Photo Salon Kumanovo) which preceded and which affirm the broader interest for photographic creativity. The patronage is a guarantee for photographic artists applying to participate at this exhibition that the organizer will provide selection with the high criteria of FIAP, and the conditions necessary for the appropriate level of presentation.

The jury had a serious and responsible obligation. From the big range of materials whom arrived according to conditions of the public concurs (around 1800 photo's) from authors from 49 countries from the world, to determine a selection from around 350 photos. The organizer of the Photo Salon Kumanovo 2010, provide a modern way and software application that greatly contribute to the objective approach to the final selection of exhibits. The jury in most cases had similar grades in other words - equal criteria.

Certainly at the best of intentions, certain omissions are possible. The jury is aware that the selection in some way is an "author" view, according to the affinity and personal approach to photography, but also is confident that made a quality choice as a compromise between the offered and what is now considered current photographic expressions.

Through the exhibitions of photographs that years in a row were organized in Kumanovo, Kumanovo became recognizable photographic center. With this exhibition is suggested that Photo Salon Kumanovo will grow in a recognizable and respected international exhibition that best promote the Macedonian photography in the world and the world photography in Macedonia.
